Science and Philosophy: Where we are

17.15 - 18.00 Prof. Maria Marino:

Young Researcher in Physiology: the  
balance between vocation and career

18.30 Welcome Cocktail

11th May

Villa Orlandi

09.00 - 09.45 Prof. Roberto Bottinelli:

Skeletal muscle plasticity: cellular and  
molecular adaptations to ageing and disuse

09.45 - 11.00 Oral Communications

(Group 2)

11.00 -11.30 Coffee break

11.30 – 13.00 Oral Communications

(Group 3)

13.00 – 14.30 Lunch

14.30 - 16.00 Oral Communications

(Groups 4)

16.00– 16.45 Prof. Leonardo Chelazzi –  
Prof. Cristina Limatola:

The Italian College of Physiology

16.45 -17.15 Coffee break

17.15 – 19.15 Oral Communications

(Group 5)

Ore 20.00 Dinner

12th May

Villa Orlandi

9.00 – 09.45 Prof. Egidio D'Angelo:

Multiscale investigation and modeling  
of the cerebellar circuit

09.45 - 11.15 Oral Communications

(Group 6)

11.15 -11.45 Coffee break

11.45 -12.30 Prof. Alberto Battezzati:

The changing relationship between the food  
environment and the nutritional phenotype

12.30-13-30 Oral Communications

13.30 Conclusions
